ELISHA KONOFF

AUDIO PRODUCTION | SOUND DESIGN | POST-PRODUCTION

Bowling Green, OH • ekonoff10@gmail.com

Portfolio: ekonoff.github.io/portfolio • LinkedIn: linkedin.com/in/ekonoff11

PROFILE

Media Production student with hands-on experience recording, editing, and mixing original music and sound-design projects, including audio replacement for picture. Pro Tools user with additional experience supporting studio recording sessions and live productions.

EDUCATION

Bowling Green State University Expected December 2026

Bachelor of Arts in Media Production | Minor in Recording Technologies

TECHNICAL SKILLS

Audio: Pro Tools; multitrack recording; audio editing and mixing; dialogue replacement; sound-effects recording; audio-to-picture editing; sample-based production

Additional software: Adobe Premiere Pro; basic familiarity with After Effects and Photoshop

RELEVANT EXPERIENCE

Stanton Studio | Studio Monitor Aug 2025 – Present

- Assist clients with music and podcast recording projects in a studio setting.

Falcon Media | Media Intern Aug – Dec 2025

- Planned, recorded, and edited social media content while meeting production deadlines.

WBGU PBS | Production Assistant Sep 2023 – Nov 2025

- Supported sports and studio productions, including camera operation and audio-board operation.

SELECTED AUDIO PROJECTS

Regular Show — Sound Redesign | Audio Post-Production Student project

- Handled all editing and mixing for an animated-scene audio replacement; collaborated on voiceovers and sound recording, combining original and library sound effects.

Jungle Soundscape | Sound Designer / Editor Collaborative project

- Completed all editing and mixing for a rhythmic soundscape using effects recorded collaboratively with two partners.

Drifting Dog (FX Version) | Producer / Multi-Instrumentalist Original composition

- Performed and recorded guitar, bass, piano, and saxophone; built drums from self-recorded samples and captured original sound effects; edited and mixed the full track.

Indomitable | Producer / Multi-Instrumentalist Original composition

- Performed and recorded guitar, bass, drums, and saxophone; edited and mixed the track and applied a talk-box effect to the saxophone.
